

# Generating Entrepreneurial Ideas

This experiential workshop will be led by Dr. Molly Schmid, the President of the Inland Empire Network of the Tech Coast Angels and a former faculty member at the Keck Graduate Institute and the Drucker School of Management at Claremont Graduate University.

During the highly interactive and innovative workshop, students will learn how to identify, refine and develop their startup ideas. This is a “hands-on” workshop. Lunch will be provided.

## When:

Friday, September 19th  
from 10:30am to 1:30pm

## Where:

Kravis LC-62

This workshop will help young entrepreneurs to transform their ideas into startup businesses.
